Council Supports Move For Government Aid

Altona Council will support a move to ask the State Government to relieve the Board of Works of any future financial commitments on the capital cost of major construction projects it undertakes.

The move, proposed by Keilor Council, will be supported by Altona's representative on the Metropolitan Sectional Council of the Municipal Association.

Keilor's move calls on the Sectional Council to strongly protest at the allocation by the Government and acceptance by the Board of Works of the financial responsibility, in part, for the construction of metropolitan freeways, and in full for major construction projects for water supply and sewerage.

The Sectional Council has been asked to state that it is of the opinion that such projects should be financed entirely by taxpayers rather than metropolitan ratepayers, and ask the Government to relieve the Board of further financial commitments for such work.

Keilor told Altona it was fully aware of the assistance already provided by the State and Federal Governments towards the financing of the Board's projects.

"The State contributes two-thirds of the Roads Special Projects Fund in addition to direct subsidies and the Commonwealth makes funds available under the Commonwealth Aid Roads Act," Altona was told.

"Notwithstanding that this assistance may be considerable, the council believes that the State and Federal Governments should accept the entire financial responsibility for major projects undertaken by the Board.

APEX CLUB RAFFLE

The Apex Club of Altona wishes to apologise for any inconvenience caused to the people of Altona for the alteration of the time of drawing of the caravan raffle on Monday, July 13.

The raffle was drawn by His Worship the Mayor of Altona, Cr. P. A. Burns, at 7.30 p.m.

It was not known earlier that Cr. Burns would be unavailable as proposed at 8 p.m.

The draw of the winning ticket by Cr. Burns was carried out in the presence of Sgt. Day, Victoria Police, Mr. J. Gregson, raffle organiser, Mr. J. Carroll, president of Altona Apex Club, and Apexian Mr. G. Daly, chairman of Miss Altona Quest.

The Mayor will announce the winner at the Miss Apex Ball this Friday night, July 17.

"In doing so, the metropolitan property owner will be relieved from what is regarded by the council as an unfair burden at present placed upon him."

Moving that Altona's representative support the move, Cr. W. L. Crofts said the council "should let the Government know our feeling about this latest imposition."

In another letter to council Mr. W. L. Floyd, M.L.A., said he agreed with the council's protest against Board funds being used for the proposed underground railway while sewerage re-circulation remained urgent.

He said he objected that a similar policy was being applied to freeway construction, and non-car owners had to pay for these in their Board of Works rates.

Mr. Floyd promised to mention the matter in Parliament.

Wants Clean Air Cleared

Cr. W. L. Crofts has asked Altona Council to contact the Minister of Health seeking clarification statements about the Clean Air Committee.

He said a recent newspaper article attributed contrasting statements to the Minister and Committee representatives.

"I'd like to know the true facts," he said.

COUNCIL ELECTIONS

Nominations for the coming elections, to be held on August 29, will close at 4 p.m. on August 11, Mr. J. W. Waters, Town Clerk, told Altona Council on Tuesday.

"It is appropriate at this stage to point out that election day is in the middle of school holidays, he said, adding that arrangements for postal voting should be available from August 17 — two weeks before the election.

"The recent amendment to the Local Government Act provides that there will be one table for each 1200 voters on the municipal roll," Mr. Waters continued. "This means there will be less tables than in past years, but with one vote per person, the table movement should flow smoothly."

MINISTER'S APPROVAL NEEDED FOR VOTE

Altona Council will apply to the Minister for Local Government for special authority for a number of councillors to vote on a request that the council nominates a life governor of the Altona District Hospital.

Recent amendments to the Local Government Act stress that councillors must disclose publicly any interest they might have in an item before the council and must then leave the chamber without voting on the item.

When the Hospital president invited council to nominate a life governor five councillors disclosed interests and left the council without a quorum to vote on the item.

Crs. D. K. Grant, H. Weaver and R. K. Richards said they could not vote because they were members of the hospital board, Cr. P. J. Lynch said his wife was employed on the hospital's nursing staff, and Cr. Crofts said he was a life governor of the hospital.

Mr. J. W. Waters, Town Clerk, said there was provision in the Act for councillors to apply to the Minister for dispensation to enable them to discuss and vote on items in which they disclose an interest.

BEACH SURVEY DIDN'T INCLUDE ALTONA

Cr. H. Weaver told Altona Council on Tuesday that he was shocked to find that the Altona Beach was not included in a beach usage survey conducted by the Port Phillip Authority last January and February.

"It's a pity that Altona, being the larger of the two Western Suburbs beaches, was not reported on," Cr. Weaver said.

The Port Phillip Authority conducted the survey to find what factors influenced a cross-section of the public to patronise beaches surveyed, and to find what improvements those interviewed would most like to see implemented on the beaches.

"Only 30 beaches were included in the survey," the Authority reported to Altona Council. "This number being considered adequate for a reasonable and practical sampling to achieve the aim, which was directed at obtaining the responses and views of some 15,000 members of the beach-going public."

"The actual beaches covered by the survey were determined on the basis of a ballot in order to meet the essential criteria of avoiding the possible impact of any preconceived ideas or bias in the selection of the beaches."

The Authority said the survey findings had now been collated, analysed on a geographical basis, and published.

"A copy of these results is being made available to all committees of management, including those responsible for beaches not covered by the survey, primarily for information as to what constitutes the public requirement where beach recreation is concerned, and also, in the belief that the results should provide a useful guide to all committees in planning and carrying out future improvements and developments."

"It is desired to emphasise that the published document is not a report," the Authority continued. "It is the collation of the views of a significantly wide segment of the public, and, with this qualification, is factual."

The Authority said it would welcome the council's reactions to the survey and would be happy to discuss any aspects of it with council representatives.

It added that it proposed to analyse the results in greater depth with the object of incorporating its views in an overall recommendation for improvement and development of the Port Phillip area.

"I am sorry that Altona was balloted out," Cr. Weaver said. "I was waiting on the report with the intention of using it as a basis of design for future discussions on the foreshore."

He moved that the Authority be asked to make another report on Altona Beach.

"We've always been conscious of our waterfront," commented the Mayor, Cr. P. A. Burns. "Every weekend councillors are down there trying to think out solutions to problems."

Cr. D. K. Grant moved an amendment that copies of the Authority's initial survey be circulated to each councillor.

He added that representatives of the Port Phillip Authority be asked to attend the council's General Purposes Committee meeting on August 4 for further discussions.

"I believe some type of survey was made at Altona but was not listed in the published findings," Cr. Weaver said. "I would like the Authority to give us details of this report, or do a quick survey of Altona."

"It's strange that the Port Phillip Authority asked our reaction to the survey when we didn't even rate a mention," said Cr. J. I. Stewart.

"I agree that it is poor that Altona doesn't rate a mention," Cr. Grant continued. "They ask the council's reaction. We should erupt, rather than react."

"We should let them know we have a beach and have problems with it, and that we want to discuss these with them."

"We should get them here and give them a good hammering."

Cr. Grant's amendment was carried.

OIL NEAR ALTONA?

There may be natural oil in Port Phillip Bay a few miles from the Altona Refinery.

In May the Victorian Refining and Smelting Co. Pty. Ltd., said that seepages of oil were occurring in the bay between Port Arlington and Altona.

CSIRO tests had confirmed that the crude oil was of a tertiary age similar to that being found in offshore Gippsland.

The company further announced that it would carry out a seismic survey of areas in the bay.

Last year tests had been made in adjacent land areas. Further tests were to be carried out which would have as their aim determination of the detailed geology of the bay and thickness of sediments.

More recently two scuba divers acting for the company are known to have collected samples in the water half a mile off Point Cook. They have been sent to the CSIRO.

The samples were extracted from well below the surface sediment and in appearance were of a sticky green colored substance mixed with sand.

EDUCATION IN ALTONA

Seven years ago there were 5,000 pupils at Altona schools. According to the most recent estimate there are now 8,000.

On examination it can be seen that the growth in student numbers has exceeded the rate of population increase.

This is, of course, in part due to the increasing number of students from other suburbs who need to use Altona's educational facilities.

For this and other reasons the climate for education in Altona is most favourable.

In general, the schools are modern structures planned (even though economically) to meet current needs. The people of Altona have not lagged in support.

The proposed meeting to discuss Altona's education needs will by no means be the first of its kind in Altona. Neither will it be the last.

In view of the most recent announcement, the possibility of a teachers' training college in Altona is remote — though there will be one in the Western Suburbs.

But if Altona is to continue to present an image of being a very education-minded community other needs must be considered. These may call for government action in the building of further schools, or improvement of existing ones.

And they will call for those attitudes and actions towards local education that only can be provided by the local community.

Altona Lions Raise \$734

Altona Lions Club raised \$734 over the past year and its Ladies' Auxiliary \$520 it was reported at the club's annual dinner at Koorringal Golf Club last Wednesday.

The president of the club, Mr. Noel Wood, reported that people in need in the community had been assisted.

They included a destitute family who were helped with food parcels and a young mother and her baby who was able to return to her family in Queensland with the club's help.

Much of the money had been raised from a collection of waste paper which the club took up among Altona homes on the first Sunday morning of each month.

"Our Ladies' Auxiliary has been very active as always," said Mr. Wood. "They conducted a baby show for the first time and its success means it will probably become an annual event."

"Some \$260 of the money they raised will be spent on providing a clock to be installed on the Altona Life-Saving building so that swimmers at the beach will know the time."

"The clock has been ordered and will be installed well in time for the coming swimming season."

Mr. Wood added that Mr. Jack O'Sullivan had continued in the arduous role of secretary for another year.

He said that the club would welcome new members. They could contact him on 398-2871.

Mr. Wood has been elected president for a second annual term.

Other officers are: Vice-presidents, First, Mr. Ed. Poole; second, Mr. Charlie Trickey; third, Mr. Darrel Muny; secretary, Mr. Jack O'Sullivan; treasurer, Mr. Angus Wright; Lion tamer, Mr. Ron Tribe; directors, Messrs. Allan McDonald, Krys Golacki, Tom Sause, Jack McGuckian, Len Rowe; assistant secretary, Mr. Rae Rasmussen; tail twister, Mr. Bob Crump.

NO ONE-WAY

No action will be taken on a suggestion that Altona Council declare Railway St. North a one-way street.

"There is little doubt that if traffic is permitted in one direction only in any particular street, the likelihood of an accident is reduced," the City Engineer, Mr. R. Simmons, told council.

"However, it is possible that the likelihood of an accident in another street in the vicinity would be increased."

"For example, assume traffic in Railway Street North were restricted to travelling in an easterly direction only. Any resident in Railway Street North, or any resident in the streets leading therefrom, between Millers Road and Pier Street who wished to drive to Pier Street shopping centre would either have to travel to Millers Road, turn right into Millers Road, cross the railway crossing and then turn into Railway Street South, Blyth Street or Queen Street or travel to Civic Parade, turn left into Civic Parade and thence into Pier Street."

"As the volume of the traffic in both Millers Road and in Civic Parade is much greater than that in Railway Street North, the likelihood of an accident could be expected to be increased."

"Visibility at the intersection of Pier Street and Railway Street is obscured by railway fencing. If no west bound traffic entered Pier Street from Railway Street North, the intersection would be less hazardous."

"It is recommended that the section of the Railway Street North between Millers Road and Pier Street be made a one-way street (traffic to be permitted in a west to east direction only) if the majority of residents in the section of Railway Street North concerned so desire."

Council considered Mr. Simmons' suggestions but decided to take no further action on the request that the street be made one-way.

TEACHERS' COLLEGE PLANNED AT ST. ALBANS

A teachers' training college to serve the Western Suburbs will be established at St. Albans, Mr. A. W. Knight, M.L.C., told Williamstown Council on Monday.

But as yet no date has been set for work on the college to begin.

Mr. Knight said he was told these facts in Parliament recently. He said the college would be of vast importance to students attending schools in the Western Suburbs.

Because of this, he said, both he and his Parliamentary colleagues felt that the Minister of Education and the Minister of Public Works should be written to immediately and asked that the college be built as quickly as possible.

He added that he was told the Education Department held no other land suitable for a teachers' training college in the area.

Cr. L. R. Hoffmann moved that Williamstown Council support Cr. Knight and ask local Members of Parliament to press for immediate action on the college.

"I feel it is important for all councils in the Western Suburbs to use as much pressure as possible to see the college is built," he said.

Cr. D. J. McDonald asked if Williamstown schools would receive more teachers if the college was established.

"Would it improve things for the people of Williamstown?" he asked. "There are four or five training colleges around Melbourne. The closest one is at Royal Park."

"We have been told we are getting our share of teachers, but there just isn't enough to go around."

"We should get our priorities right. If we want more teachers we should improve the schools. Conditions at some of them are pretty primitive, I believe."

"I feel we should do something more about the schools. There's just so much money to spend on education. If the teachers are worried and won't come here, improve their conditions."

The Mayor, Cr. J. Dawes, said the college would be for the convenience of student teachers, adding that many student teachers from the area were forced to attend the Geelong Teachers' College this year.

"Why should all the development be on the other side of Melbourne?" asked Cr. K. C. White. "A lot of youngsters don't go into teaching because it is too far to travel to the colleges. I agree that more money

FOUNTAIN SUGGESTED FOR ALTONA

Sir Kingsley Norris, in his speech to the 66 new citizens at the Naturalisation Ceremony in the Civic Hall on Monday night, quickly infused friendly and nostalgic spirit in his speech.

He painted vivid pictures of the domain and landscape of the countries of birth of the new citizens — Italy, Germany, Yugoslavia, Netherlands and Greece.

Sir Kingsley reminded the people to remember the countries that they had come from and bring some of the ways and cultures of their land to Australian conditions.

He pointed out the popularity and the appropriateness of fountains in overseas countries and suggested that the time may come when new citizens might care to promote the erection of a fountain which could become famous in Altona area.

He created a great deal of interest in a suggestion that the people who had been naturalized should immediately purchase a small Australian shrub and plant such and as the tree took roots in their yard, so their roots in Australia would increase.

The ceremony was conducted by the Mayor, Cr. P. A. Burns, assisted by the Town Clerk, Mr. J. W. Waters, and supported by councillors. Also present was the Hon. A. W. Knight, M.L.C. Guest speaker was Sir Kingsley Norris and in addition Cr. D. K. Grant, Deputy Mayor, and Rev. Father A. Zammit addressed the new citizens.

DEPUTATION ON FENCE

A deputation of property owners in Simmons Drive, Seaholme, will meet Altona Council's General Purposes Committee to discuss their objections to a wooden fence erected by the Altona Working Men's Club between the club bowling green and the bay.

In a petition to council on Tuesday, Messrs. M. Singh, J. F. Lenagh, J. B. Murphy, A. McMillan and G. Mitchell said the fence completely blocked the view of the bay along its length.

Cr. E. G. Smith said many student teachers were aged only 17, and had to depend on public transport. Those attending the Melbourne Teachers' College at Parkville had to walk part of the way each day to live on their allowance, but those who lived further away suffered more hardships.

"I know of a 17-year-old girl who had to go to Geelong," he said. "There was no room in the hostel, so she has to travel to and fro each day."

"Perhaps the college at St. Albans will not be much closer for some, but it will cater for a majority of Western Suburbs students."

Cr. H. B. Whittaker said Mr. J. Ginifer, M.L.A., told the council teachers in the area were drawn from the other side of Melbourne because there was no local college.

"They are loath to take up appointments here, because their homes are far away," he said. Mr. Ginifer believed, and I agree, that a teachers' college here would alleviate this."

"The possible laying of further greens could lead to an extension of this fence, and the possibility of the whole of the view along this section of the front being blocked for both the residents and the general public," they wrote.

"We would like to add that while we are not objecting to the Altona Working Men's Club amenities, we feel that they should be planned in such a way that they do not interfere with the natural amenities."

Cr. W. L. Crofts said he was not fully aware of what the petitioners had in mind.

"I wonder if they have any other views than those disclosed in the petition," he said. "Let's hear them at a General Purposes Committee meeting."

"A lot of good ideas come from these deputations."

Cr. C. W. Carlsson asked that the council photographer be asked to photograph the fence and surrounds so the council would be clear when the matter was discussed.

LOCALS STAR IN AUSTRALIAN LACROSSE

Williamstown lacrosse players John O'Keefe and Alan Rolley have been selected for the Australian team.

They were members of the successful Victorian State team which last week in Adelaide won the Australian Championships.

The national team was selected from all competing interstate players.

Other Williamstown players in the State team were A. Chiron, R. Twomey, K. Reid and M. Orr.

Seven Williamstown girls also have made the Victorian Women's Lacrosse team.

They are Val Orr, Joy Antworth, Vivienne Parker, Christine Lacy, Pam Rolley, Margo Taylor and Lois Donnelly.

Tomorrow they leave for Adelaide to compete against teams from South Australia and West Australia.

From these players will be selected a Women's Australian team which in 1972 will play matches in England, the U.S.A. and Hong Kong.

Local juniors also have prospects of making the Victorian Junior team which, during the school holidays, will also play in Adelaide.

Wants Limit On Number Of Sheds

Altona Council will seek alterations to the Uniform Building Regulations to provide a limit to the number of outbuildings allowed on residential sites.

Mr. L. Floyd, M.L.A., will then be used for some commercial use.

"I am of the opinion that the Uniform Building Regulations should be amended to provide some limit to the number of outbuildings permitted," Mr. Beech said. He added that council was at present issuing permits for sheds, garages and carports up to 400 square feet in steel, or timber construction, and garages up to 600 square feet in brick if authorised by council.

He said any buildings above these limits were presented to council for approval.

HIGH SCHOOL'S GILBERT AND SULLIVAN PRODUCTION RECEIVING PLENTY OF SUPPORT

FRIDAY night is rehearsal night for those students of Altona High School who are involved in the production of "Pirates of Penzance". However, there are many other personalities busily at work on the scene as well as the students themselves, doing the hundred and one other, behind the scene, things that go towards making the show a success.

In the sewing room the machines whirr away as several enthusiastic mothers make up the large number of costumes required for the production. Mrs. Beebend, Mrs. Smith, Mrs. Bradie, Mrs. Moylan and Mrs. Haslan are the mothers involved here. Other mothers are engaged in sewing at home for the production.

In the art room Ian Roberts is wielding a lethal looking hammer or a paint roller as he puts in some

hard work on the sets. Ian is an ex-student of the school at present studying art and craft at the Secondary Teachers' College. He is at present on a one day a week teaching round to the school.

A familiar figure to the students, Mr. Harris, can be seen roaming the school corridors ensuring that the buildings themselves are left in a neat and tidy and locked state at the end, while Mrs. Tregear darts here and

there carrying anything from enumerable silver buckles for pirates' shoes to woolly scarves for pirates' hats.

Half way through the evening rehearsal comes a welcome break for all when students rush to the nearest art room to be served drinks by Mrs. Bush, who is in charge of the school canteen and who gives of her own time in order to provide this service to the students and teachers.

Jeremy Winfield may pop his head in part way through the evening to discuss with Mr. Borg, the producer, ways and means of achieving the lighting effects they want for the show.

Arriving early on duty during the normal school day at present is Mrs. Franklin who pours over steaming troughs containing army uniforms in process of transformation to the policemen's uniforms necessary for the second act of the show.

Art and metal work classes are at present producing a remarkable assortment of goods such as piratical shoe buckles, pistols, swords and tankards.

Thus the production is involving a large number of people who will not be seen on the stage but who nevertheless are concerned in it and anxious for its success.

The school hopes that its own enthusiasm for the show will be matched by that of the citizens of Altona when they finally come to see it on the nights of August 13, 14, 15, 17 and 19.

Altona Guides And Brownies

The next meeting of the Local Association for the Brownie and Girl Guides will be held at the Guide Hall, Civic Parade, Altona, on Thursday, July 16, at 7.45 p.m.

All interested parents will be most welcome.

Would anyone who has a treadle machine they no longer use, please contact 398-2354. The girls at the Guide Hall do all their sewing by hand and a machine would be a wonderful help to them.

EXTRA TIME FOR A.P.C.

Altona Council last week granted the Altona Petrochemical Co. another 28 days in which to abate noise and pollution nuisances.

Cr. W. L. Crofts told the council the company had undertaken a program of environmental control. He listed a number of improvements the company had undertaken.

He said a noise survey conducted by a firm of consultants claimed the noise from the works was an acceptable level for residential areas surrounding light industry.

Val's Column

Hello Girls,

Looking around us, haven't the young girls of today got nice skin? They are living in a time when everything goes for them. They acknowledge this in their appearance. Young lasses realise that a protected skin today, is a healthy skin for many years to come.

An oily skin can be balanced, refined and refreshed by correct knowledge and cleanse, tone and nourish treatment. Acne problems can be minimised. Diets watched, young skins tending to dryness have light night and day creams. Dry lips need only a lip gloss to moisturise and shimmer the lips — even in a uniform.

Sheer make-up, foundation and powder especially designed with the young in mind by Real Girl. Gay, attractive packaging, light natural colours. Mild cleanser, refreshing gentle tonic lotion. Oh so mild and gentle. A light liquidy moisturiser.

Teach her correctly right from the beginning. Soothe and refresh, clear away the lost of the grime or makeup with a toner, also make ready to receive nourishers or moisturisers. Correct at night, a film of moisturiser during the day to protect against the elements, make your makeup easier and smoother to apply.

Translucent or toned powder. A blusher to highlight the cheeks, powder or shining colours. Sparkling eyes with a hint of colour — play up the eye colouring or the outfit. Brows shaped with complimenting colour to frame these pretty eyes that have large pretty lashes. Soft young see-through lipsticks, just a hint of colour. A pretty girl need not look "made up". She makes the most of her good points — playing down her bad points.

Altona City Marching Girls

The Altona Youth Club Marching girls has now been renamed. They are now the Altona City Marching Girls.

The girls had their first public display at the opening of the Stan McIntosh Pavilion at Kim Reserve last Sunday.

They are concentrating on competition marching now. Any parent interested in the club can contact Mr. Clark, 398-1850 or Mr. V. Kip at 43 Linnet Street, Altona.

payers," said Cr. Crofts, moving that the company be asked to make the consultants' report available to the council.

He moved "rather reluctantly" that the company be granted a further 28 days to proceed with arrangements to correct the problems.

Have You Seen Altona's Museum?

It is in the Homestead, 128 Queen Street, Altona and will be open between 2 and 4 p.m. this Sunday, July 19.

On display are rocks that the Aborigines used as axe heads and samples of brown coal and some briquettes which were made in Germany from brown coal mined in Altona.

There are several photos of the types of trains that used to run to and from Altona and pictures showing what Altona used to look like many years ago.

There are picture postcards with scenes of Altona to send to friends and someone will be there to answer any questions.

Admission is free.

WILLIAMSTOWN BAND TO PLAY AT KEW

Williamstown City Band have entered for this year's Victorian Bands' League contest. The contest will be held in the Kew City Hall on Sunday, August 2.

The competition covers all grades. It is the top contest in the State conducted by the V.B.L. and bands from all over Victoria will be taking part.

Williamstown, which has played well in recent contests, is quietly confident that it will finish among the place-getters. Bandmaster, Mr. Ted Hellier, is bringing all players into top form and he expects to have them at their peak by August 2.

The V.B.L. has appointed interstate adjudicators for this year. They are Charles Bignall, from N.S.W., and top South Australian adjudicator Mr. Hector Hutchins of Adelaide.

This year Williamstown will play a popular number arranged by its own bandmaster. Details of the tune will not be released prior to the contest but from all reports it should prove a winner.

R.S.L. SUPPORT BAND

Spotswood R.S.L. has assisted the band in this contest by making available its club for rehearsal. Spotswood Club is acoustically treated and this has helped Mr. Hellier to pick out the faults with his players.

The band is at present putting in acoustic treatment to improve its own bandroom.

Troubles With Channels

Mr. J. T. Rees, Williamstown's City Engineer, has been directed to attend to a complaint by Mr. R. C. Craddock, Avondale Heights, about the poor condition of street channels in front of the property he owns in Park Crescent.

Mr. Rees will report to ward councillors on complaints about street channels by Mr. L. Fitzpatrick, Cecil Street, and Mr. W. H. Bridgeman, Ann Street.

CARPORT WORRY

Mrs. H. Moloney, of North Road, Newport, has complained to Williamstown Council that the drainage from a carport on the adjoining property runs onto her land.

She asked that the owner of the carport be required to drain the water onto his own property.

Mr. J. T. Rees, City Engineer, told council that an order had already been served on the owner to correct the drainage.

Cr. H. W. Clancy asked the engineer to check that a building permit had been issued for the carport.

NEW LIONS DISTRICT GOVERNOR

Mr. Jack Phillips has been appointed deputy district Governor with authority over the eight Lions Clubs in the Western Suburbs.

Mr. Phillips, of Victoria St., Williamstown, is a member and a former president of Sunshine Lions Club.

The clubs under Mr. Phillips' jurisdiction are the Altona, Footscray, Werribee, Williamstown, Sunshine, Melton, Keilor and Sunbury clubs.

Mr. Len Rowe, a member of the Altona Lions Club, is chairman of the zone which includes Altona, Footscray, Werribee and Williamstown clubs.

Last year, Mr. Rowe was in charge of international affairs as they affected the 48 clubs throughout Western Victoria. He initiated a scheme under which clubs are providing the upkeep of orphan children at an orphanage in West Irian—a scheme which has the personal support of President Suharto.

Mr. Jim Wright, of Melton, is the new chairman of the Lions' zone which includes the Sunshine, Melton, Keilor and Sunbury clubs.

A number of Western Suburbs Lions also hold offices in the District 201F, which includes 48 clubs throughout the western half of Victoria.

Mr. Ern Casper, of the Footscray club, is chairman of a committee responsible for the development of membership throughout the District 201F.

A Werribee Lion, Mr. John Banfield, of the State Research Farm, is chairman of international relations.

Mr. Iban Bulman, of Station Ave., St. Albans, a member of the Keilor Lions Club, is chairman of a committee responsible for helping clubs form Leo Clubs among teenagers in their area.

Mr. Jim Edward, a former member of Footscray Lions Club who now lives in the Geelong area, is chairman of a committee which promotes the Lions' Youth of the Year quest.

All appointments are for the Lions' year which began on July 1.

The new District Governor, Mr. John Wohlers, of the Corio Bay club, Geelong, will attend an Altona club dinner on Wednesday, July 22.

Gymnasium Display

St. Stephen's Church Girls' Gymnasium Club has been granted concessional hire of Williamstown Town Hall for its gymnasium display on October 30.

Moderator To Visit Presbyterian Church

The State Moderator of the Presbyterian Church of Victoria, the Right Rev. W. A. Loftus, B.A., D.P.A., will pay an official visit to the congregation of St. Andrew's Presbyterian Church this Sunday, July 12, at the 10.30 a.m. service.

The Moderator is Minister of Trinity Presbyterian Church, Camberwell. He has rendered long and effective service and is active on many important committees of the Presbyterian Church.

The Mayor and Mayoress of Williamstown, Cr. and Mrs. R. Dawes, the Town Clerk Mr. J. E. Morley and Mrs. Morley, councillors and their wives and Mr. W. L. Floyd, M.L.A., will also be present.

The Mayor will welcome the Moderator to the City of Williamstown at an after-church gathering in the Church Hall.

There will only be one service at 10.30 a.m. on this day when all members will worship together.

Old Players At Yarraville

The Seagull Old Players had a gathering at the Yarraville game with Ron doing the honors. Vic Truman was there once again after his illness. An honorary member was TV star Bob Horsfall. Bob is married to an ex-Willy lass and is a brother-in-law of Les Goding.

The "Dog Nite" will be held on Monday, August 31. OLD PLAYER ON HOLIDAY Jack Vinall, ex-Williamstown Seconds coach for some years has gone on a holiday to his native Scotland. His travelling companion is "Doug" McDougall who ran the Beach bus service for many years in Williamstown.

Appointed

Miss P. Coulston, Speight Street, Newport, has been appointed accounting machine operator-clerk to Williamstown Council's Electricity Supply Department.

Jehovah's Witnesses

Members of the Williamstown congregation of Jehovah's Witnesses, who were among the 802 delegates attending a Circuit Convention of their religious group at Colac, returned home on Sunday last.

The assembly programme centred around Christian conduct and was relayed from the main auditorium through closed circuit T.V. to other parts of the Civic Hall.

One programme feature was a drama in ancient pictorial dress illustrating to the audience how the apostle handled serious problems, such as immorality and unchristian conduct, in the early Christian congregation of Corinth in ancient Greece.

A spokesman for the Witnesses explained that Jehovah's Witnesses do not turn a blind eye to similar problems which arise through imperfection, but use the principles as outlined in the Bible for handling such difficulties.

In the keynote address, "True worship versus the False," the speaker, Mr. Don MacLean said, "In today's permissive society positive religious adherence is considered bigoted, yet the history of the Bible indicates a true and false type of worship." Continued, Mr. MacLean, "Even at times inviting the true God Jehovah to declare what he accepted as true worship."

"These times became examples written down in the word of God, the Bible, as precedent to establish at any future time the true worship acceptable to God" concluded Mr. MacLean.

THE CURTAIN RISES

BY THISBE

Jeremy Slade! Of course, I meant Julian Slade, but as everyone knows "a slade by any name would sound as sweet."

I suppose I thought of Jeremy because the only person I know of that name has a mother playing in "The Duenna."

Of course, it is not really important whether Mrs Slade's little boy is called Jeremy or Julian. What is important is whether you have remembered to buy your tickets for "The Duenna," written by Richard Brinsley Sheridan and adopted by Julian Slade.

This gay mix-up of lovers, like most comic operas, ends happily but only after many trials and tribulations.

This is ideal family entertainment. So if you want to take Grandma, little sister, and your best girlfriend, you can do so without them being embarrassed by anything they may see.

They will be excellently entertained in a warm, friendly atmosphere and they will think that you are very clever to have thought of such a wonderful way to spend a winter's evening.

Even if you were not clever enough to know that Jeremy was really Julian, I am sure that you are clever enough to know that tickets for "The Duenna" are on sale at E. S. Marr's Music Shop for \$1 for the whole season from Monday, July 20 until Saturday, August 1.

Issy Dy Here Saturday Night

Pop star Issy Dy will meet some of his fans at the Altona Youth Club on Saturday night.

The dance features new group the WAREHOUSE and proceeds will go to the Youth Club for gymnasium equipment.

Admission is \$1.

Issy Dy will mention the dance on "Happening 70" Channel O, on Saturday morning.

Combined Pensioners' Association

The Williamstown-Newport Branch of the C.P.A. held their monthly general meeting on July 3.

There was a very good report from the Concert Party who visited Seaford Branch on June 16.

Rate increases were discussed and it was decided that the delegates bring the matter up at the next State Council Meeting to be held on July 8 for discussion.

A visit has been arranged by Mr. Wade of the Social Services Department to speak on problems relative to pensioners on July 31. This will give members the opportunity of asking questions. It is hoped the pensioners will avail themselves of this opportunity.

Next meeting will be a social afternoon to be held on July 17 at Newport Library Hall.

GIRL GUIDES

WEST METRO. REGION

Mrs. Carlyon, Region Commissioner for West Metropolitan Region, will hostess a Cosmetic Evening at her home, 66 Suffolk Street, West Footscray, on Monday evening, July 20, at 7.45 p.m., to aid the Extension Branch of Guiding in the Region.

A warm welcome is extended to any person in or out of the Guide Movement, whether interested in the cosmetics or just eager to help this effort to be a successful one for the Extension Branch.

The last meeting of the Auxiliary held at West Footscray was very interesting and worthwhile. Two of the members attended the Yarraville Local Association Annual Meeting on July 8.

The next meeting of the Auxiliary will be held on July 27 at 7.45 p.m. at the home of Mrs. Corner, 2 Revo Street, Newport, when it would be good to see all those people who are interested but who have not managed to make it yet.

Please keep in mind the Petra Jewellery evening on August 7 in Ardeer as this is also in aid of the Extension funds.

Williamstown District Girl Guides

Williamstown & Spotswood Brownie and Guide leaders were well represented at the Requiem Mass for Miss Susan Page at St. Mary's Church last Wednesday.

Miss Page passed away at St. Vincents Hospital on July 4, after a short illness.

An active Guider until 18 months ago, Sue Page first became a Brownie Pack leader, then Tawny Owl, with 2nd Williamstown Pack, some years ago. She then joined the Sea Rangers (S.R.S. Yarra) when Miss Peg McKinnon was Skipper, subsequently signing off with the crew at the required age.

Still very keen, Sue decided with a ranger friend, to start 4th Williamstown

left Melbourne for Sydney or overseas.

Every day the situation
gets worse.

Groups like Billy Thorpe
and the Aztecs are appear-
ing at dances for really low
prices. And not so long ago
the members of Turnstile
earned less than a dollar each
when they played at Sebas-
tians.

Whose fault is it?

I am going to stick my
neck out (as usual) and say
that the groups themselves
are to blame for the decline
of the Melbourne pop scene.

Fair enough, the crowd
had to get sick of going
to discotheques sooner or
later.

The novelty just had to
wear out.
But there are still plenty
of big dances around town
and hotel circuits are becom-
ing very popular.

The big problem is that
groups have decided to play
on their reputation and
attempt to bluff their audi-
ences with a heavy noise
that they call Blues.

Sorry fellows, but it does
not work any more. Just
because your name happens
to be Max Merritt or Billy
Thorpe this does not mean
that you can slacken off and
play those same dreary old
numbers everywhere you go.

Because young people get
around much more these
days and they will not be
willing to listen to the same
numbers in Brisbane that
they heard you play in Mel-
bourne a month before.

And I think many people
are sick of paying money
to see a group that comes
on stage looking like it's just
crawled out of bed.

Few groups in Melbourne
care about stage presenta-
tion at all these days.

Those that do have good
managers will survive be-
cause their bookings will not
be restricted.

Seeing Billy Thorpe at
Cucumber Castle recently
convinced me that groups
are not doing anything to
save themselves from sudden
death.

Billy's group is just an-
other group, except that it
plays louder than any other
group on the scene.

And the Aztecs would be
the only group that has
played "Rock Me Baby" at
every dance for the last six
months.

I still have a great deal
of respect for Max Merritt
and the Meteors but after
seeing their dress on stage
for the Pop Poll Awards I
do not hold much for their
hopes of getting anywhere in
America.

Some of you may laugh
at that.

But I can remember when
Max Merritt had what was
known as the best rock and
roll group in the Southern
Hemisphere. Now I wouldn't
give you twopence for the
group's chances.

What Melbourne needs is
some fresh groups. Too
many of the big name bands
have gone stale.

Managers are partly to
blame but at the moment
most groups are handled by
agencies and very few of
them have personal man-
agers.

Those that do have personal
managers have a fighting
chance. While groups like the
New Dream who are manag-
ing themselves are lucky to
make \$40 a week each.

Oh well.

One must take the good
with the bad.

Sooner or later a new mob
of groups will rise and the
scene will be bigger than it
ever was.

But groups will need to
have a tremendous stage act
(something which Australian
groups are scared of) and
an appeal to all audiences.

Until this is achieved you
will be plagued by stale
groups.

But if you know of a young
and up and coming group
you like. Pester the dance
promoters to put the group
on.

And give some NEW talent
a show for a change.

Youth Hall Dance On Saturday

It's on Saturday night and
admission is \$1.

The venue is Altona Youth
Hall and you can dance al-
most non-stop from 8 p.m. to
11.30 p.m. to the sound of
the Warehouse.

Incidentally, the Warehouse
has added two great guitar-
ists from Canberra to its
line-up since you saw the
group at the Civic Hall.

Groovy tapes and records
will be played and you may
be lucky enough to win an
LP from Jan's Record Bar
in Altona.

Proceeds from the dance
will go to the Altona Youth
Club. So turn up and make
this dance a great contri-
bution towards the youth of
Altona.

Warehouse Wants Fan Club President

Popular new group, The
Warehouse, has decided that
it will need a fan club presi-
dent (preferably a female)
to deal with all its fan mail
from now on.

Anybody interested?
If so drop a line to "The
Warehouse," c/o Altona
Star, 101 Pier Street, Altona.

Behind The Scene

Not surprising to see Nor-
mie win the recent Week-
ender race for pop stars at
Calder.

Normie used to drive those
armoured personnel carriers
at top speed through the
jungles of South Vietnam.
And he used to love driv-
ing his mate's Triumph home
from Puckapunyal during
leave breaks.

Ray Arnatt is with Gene-
sis, so is Ross Gilbert but
how long will this group last
now?

Wayne Duncan has turned
down about three offers to
join groups.

Gary Young is working, so
are a number of musos. The
scene is so dead.

Roy "Fuzzy" Johnson is
back from Canberra.

Theo Dellemyn must be
getting plenty of work.

John reports of a new
group called the Hoppies.

John, let's not get in-
volved, mate.

Rifle Club could be ex-
panding soon.

That means longer drinking
hours, more room and big-
ger groups.

Who will replace John
Farrar in the Strangers?

Looks like Pat will be off
to see Olivia again.

This column may be going
on a world tour soon.

Swinger Of The Week

Swinger of the week, this
week, is Theo Dellemyn of
Civic Parade, Altona, who
did very well when he
appeared on Kevin Dennis
New Faces recently.

Theo will enter the
National New Faces competi-
tion and he will make at
least two appearances on
IMT among other bookings.

Looks like the Eternal
Policeman has come good
Will Theo adopt a stage name
something like The Singing
Bobby?

scray supporters out at

Sponsors Wanted For Relay Race

On Sunday, August 2, 1970
starting at 8 a.m., the world's
longest relay race will be
held on a one mile circuit
around Prince Henry's Hos-
pital.

This race is being orga-
nised by the Sportsmen's
Ward Committee of Prince
Henry's Hospital and ama-
teur athletic teams from all
over Victoria will compete
for a perpetual shield.

The world record time for
the 100 mile relay is held
by the Richmond Harriers
with a time of 8 hours, 11
minutes and 32.2 seconds.
The Harriers have issued a
challenge to Victoria's Ama-
teur Clubs to break this
record on August 2.

The following clubs are
competing:

A Grade: Richmond (rec-
ord holders), Box Hill, Col-
lingwood, Glenhuntingly and
Sandringham.

B Grade: Ballarat (record
holders, last year's time
8.38.15), Coburg, Essendon,
Ivanhoe, South Melbourne,
Oakleigh and Ringwood.

C Grade: Bendigo YMCA
(record holders, last year's
time 9.10.47), Frankston,
Moorabbin, Brighton, Rich-
mond Seconds.

As this race is to raise
funds for the hospital, each
club is seeking sponsors for
its team at dollars or cents
per mile.

Would persons or organisa-
tions desirous of sponsoring
a particular team, please
ring Mrs. Tweedie at Prince
Henry's on 62 0621, ext. 2112.

HELPERS NEEDED

The Children's Ward Aux-
iliary of Prince Henry's Hos-
pital requires more knitters
who would be prepared to
knit garments for children
with wool supplied by the
Auxiliary.

The Auxiliary which raised
over \$1,300 to purchase
equipment for the Children's
Ward last year, is holding
its 14th Annual Meeting to-
day at the hospital.

The Auxiliary conducts
card parties and lunches
regularly and holds a din-
ner dance in October each
year.

Ladies desirous of joining
the Auxiliary should contact
the President, Mrs. Harley
Coles, phone 211 3569.

Electricity Is Costly

The State Electricity Com-
mission would require a re-
fund of \$185,000 over 10
years, with an interest rate
of 7.2 per cent., to reticulate
electricity in the Laverton
Estate area north of Queen
Street, Altona Council was
told last week.

Council will tell the S.E.C.
that electricity is only re-
quired for allotments north
of Alma Avenue at this
stage. It will also be told
that each allotment has
been in independent owner-
ship for many years.

The Board of Works told
council it would require
\$78,000 at 10 per cent. in-
terest for water reticulation
to stage two of the estate
development. The matter
has been referred to the
council's Finance Commit-
tee.

VOLUNTEER DRIVERS URGENTLY NEEDED

Each week there are sev-
eral blind people in Mel-
bourne who are bitterly dis-
appointed because there are
not enough volunteer drivers
to transport them to and from
their homes to the Associa-
tion for the Blind's Kooyong
Centre.

Most of those who attend
Kooyong, and there are about
250 of them per week are
pensioners and they simply
cannot afford to spend money
on several taxis each day.
These blind people cannot
have their day of relaxation.

The problem is to get
enough volunteer drivers to
get over this trouble. What
is particularly needed is extra
drivers in the Altona area.

Blind people get tremendous
satisfaction out of a day
spent at the Kooyong Centre
in the various activities pro-
vided there which include
craft work, domestic tuition,
carpentry, gymnasium work,
typing, braille and many
other services.

Volunteer drivers get per-
sonal pleasure in helping
blind people in this way. If
you have the time to spare,
please ring Mrs. Morgan at
the Blind Citizens' Commu-
nity Centre, phone 20-3238.
Even if you cannot spare the
time regularly each week,
perhaps you would be willing
to place your name on the
list of emergency drivers.

Little Athletics Regional Cross Country

Sixty-two Little Athletes won their way through the semi-finals of the Regional Cross Country at a meeting held between the Little Athletics Centres of Altona, Geelong, Bacchus Marsh, Corio, Sunshine and Williamstown at the You Yangs Reserve on Sunday, July 12.

These 62 children will now compete in the Victorian Championships to be held later in August.

The children competed over a hard, gruelling stayers' course of 1,000 metres for Under 9 and Under 10 with 2,000 metres for Under 11 and 3,000 metres for Under 12 years.

Almost 200 adults cheered their representatives among the 120 children who competed.

Some extremely close and exciting finishes delighted the large crowd gathered at the finishing line.

An open invitation is extended to all Altona and Williamstown Little Athletes to compete in a cross country run at the Bacchus Marsh High School Oval on Sunday, July 19 at 1.30 p.m.

Entries will be accepted up till 1.25 p.m.

Changing facilities are available. Parking in front of school in Grant Street, Bacchus Marsh.

C. Corva won 3-1.
R. Withers won 3-0.
B. Cathcart lost 0-3.
B. Smith won 3-1.

B Grade, 2-8-91, defeated Footscray, 2-6-94.
G. De Rose won 3-0.
B. McLaren lost 1-3.
G. Goodwin won 3-0.
J. Wilson lost 1-3.

B Reserves, 4-12-111, defeated Palms, 0-1-53.
B. Watts won 3-0.
T. Meatchem won 3-0.
M. Geoghegan won 3-0.
J. Kelly won 3-1.

C Reserve (5), 3-9-107, defeated Williamstown (4), 1-5-76.
J. Robb won 3-1.
P. Rodger won 3-1.
B. Cox lost 0-3.
P. Crocker won 3-0.

The A Reserve side, with another fine win, could still clinch a place in the final four, but must win their last two matches to do so.

John Wilson was a very surprised person last Tuesday evening at about 8 p.m. He arrived at the RSL courts for a social hit with Brian Warland only to find himself bundled into a car to play for the B Grade side who were again a top player short. He played very well to pick up a game. John has only had three or four hits under his belt for this year, let alone any pennant games.

Brian Watts returned to form with a vengeance with a 3-0 win.

The 'grudge' match (meant in a friendly term) between the C Reserve No. 4 and No. 5 sides is over. It is not too much to hope that we may see an all RSL grand final.

WESTGATE JUNIOR RUGBY

The annual seven-a-side knockout competition that was scheduled at Scotch College was postponed to August 8 because of the condition of the grounds. Fixtures for the round to be played on August 8 were played instead.

UNDER 12

Williamstown / Altona Ramsdens 6 drew with St. Paul's Primary 6.

Playing at the Strand Reserve, W/A lifted their game and overcame their worry of bigger lads in the opposition to tackle well and play better rugby.

TRIES: M. Humphries and S. White.

Williamstown Technical School 0 lost to Sunshine Technical School 20.

Failing to get the run of the ball, WTS just did not function in this game with their capacity and let STS dictate the pace.

UNDER 16

Altona North Technical School 0 lost to Army 18.

ANTS played their best game for the season against the formidable Army team, and showed themselves the ability to tackle well and combine as a team. The experience of Army showed through and more games of this calibre will put ANTS up with the top teams.

UNDER 18

Unable to arrange suitable transport to Flinders at short notice on change of games, Footscray forfeited to Navy.

STATE TRIALS

UNDER 18: Leigh Joyner, Peter Roderick and Noel Howard were selected.

UNDER 16: Ross Ritter and David Wright were selected.

Congratulations to these

KEEN TUSSLE FOR STATE HOT ROD TITLE

By RAY CLARKE

"The highlight of my career will be when I beat Ray Welsh in the Victorian Hot Rod Title," states Altona hot rod pilot Ken Howard.

Howard has, in fact, beaten Welsh, but the occasions have been rare indeed. There can be no doubt that Ken Howard is Australia's No. 2 hot rod pilot, not far behind Welsh.

Ken has raced hot rods for more than 12 years and has raced on most speedways in the southern half of Australia in that time.

Howard is a perfectionist and this is clearly demonstrated in his car when he makes an appearance on any track. His car is in spotless condition and more to the point — it goes like a rocket.

Judith Howard is her husband's No. 1 fan and attends the Melbourne Speedway every Saturday night with their five children. They form a strong cheer squad for the Howard stable.

Ken is President of the S.D.A.V. Hot Rod Section and is ever ready to lend a hand to strip a motor or weld a roll bar. In fact, anything concerning hot rods or speed-

lads for gaining State representation.

GAMES FOR JULY 18

UNDER 12, 9 a.m.: W/A Ramsdens v. SPP at The Strand; WTS v. STS at Footscray.

UNDER 14, 10 a.m.: WTS v. ANTS at The Strand; STS v. SPC at Footscray.

UNDER 16, 11 a.m.: WTS v. Moorabbin at Moorabbin; STS v. Harlequins at Glen Iris; ANTS has a bye.

UNDER 18, 12 noon: Footscray v. Army at Footscray.

way is sure to gain Ken's immediate and undivided attention as many new hot rod drivers can testify.

Ken's occupation, as could be expected, is also in the automotive industry. He is Assistant Operations Manager at the main Amoco depot in Footscray and is vitally concerned with motoring generally.

Ken decided when the new Melbourne Speedway opened nearly four years ago that more young blood was necessary for the advancement of his club.

As a first step he advertised for new members on behalf of his club and as a direct result membership soared.

The younger generation were taking such an interest in the club that at the moment there are more than 10 drivers under the age of 18 driving hot rods with this club at the only metropolitan circuit in Geelong Road, Brooklyn.

This widely popular sport of speedway allows the would-be driver with the limited budget to take an active interest in driving in open company.

There are several instances of father and son combinations racing in the same event at the Melbourne Speedway. It is fairly obvious that there are many parents who consider that speedway is a great training ground for their sons.

WESTERN SUBURBS TABLE TENNIS

A GRADE

Kingsville, with only two players — Stephen Hayes and Ted Weiss — played superbly to defeat Liston-Esplanade (Fowler, Kelly and Lambert) 7-4. Hayes and Weiss won 3 rubbers each and combined to win the doubles from Kelly and Lambert.

Williamstown Colts main-tained third position when they easily defeated Centre 10-1. Steve Slattery and Barry Taylor won 3 rubbers each whilst Dick Ross was Centre's only winner.

B1 GRADE

AGM displaced Brooklyn from top position for the first time this season when they defeated them 9-2. Wally Rosenzweig led the way to victory, winning all 3 rub-bers, and he was ably sup-ported by Dianne Faust and Lance Evans with 2 rubbers each. Barry Watson played a lone hand for Brooklyn, winning 2 rubbers.

F.T. Carpets continued their good form with a 7-4 win over Centre. Bob Scerri, producing his best form for the season, won 3 rubbers and was ably supported by Rudi Gregor with 2 rubbers. David Doyle was Centre's best player winning 2 rub-bers in fine style.

Westerners moved into fourth position following a 10-1 win over Avondale Heights Youth Club. Max Mc-Gavin and Frank Brown were in dynamic form with 3 rub-bers each and were ably sup-ported by Daryl Goucher with 2 rubbers. Bryon Scott won Avondale's only rubber.

B2 GRADE

Ballarat Road Methodists ended Seaholme's winning run when they defeated them 10-1. Bob McInnes and Alby Richardson, in match-winning form, won 3 rubbers each and new-comer Noel Thomas contributed with 2 rubbers. Bill Simmons was Seaholme's only winner.

Reckitt & Colman remain in second position following a hard-fought 7-4 win over Rheem. Ted Powell, Alan Evans and Jack Jennings won 2 rubbers each for Reckitt's whilst Kinder, Czeriecki and Stys won one rubber each for Rheem.
W. G. Goetz (K. Winfield, T. Molz, J. Noble) climbed to sixth position when they nar-rowly defeated Goodrich Chemicals 6-5. Winfield, Molz and Noble won 2 rubbers each whilst Don McLaren, Alan Gittens and Ken Weston won 1 rubber each and com-bined well to win both doubles.

F.T. Carpets put up a fine performance to go down nar-rowly 6-5 to B.A.T., who, as a result of their win moved into third position. Terry Flynn won 2 rubbers for B.A.T. and Andy Clarke and Brian Flynn won 1 rubber each. Sam Psaila was the star of the match, winning all 3 rubbers for F.T. Car-pets.

C1 GRADE

Wal Burkett played his best game for the season against undefeated leaders Grieve Highway when he won all 3 rubbers, including the first actual defeat of cagey vete-ran Gordon Lewis. However, with insufficient support, his team, Outlaws, went down 3-8 but still manage to hold third place.

Reckitt & Colman (Pat Berry, Bob Wendt, Ed Drew-ry) had an excellent win over second team Kingsville YMCA at 8-3. Pat Berry was a match-winner for Reckitt with 3 singles rubbers, in-cluding a fighting win over C Grade singles champion Chris Thomas, 2-21, 21-19, 21-16, who was Kingsville's best, winning 2 rubbers.

Oliver Davey received their second successive walk-over to put themselves into final four calculations.

D1 GRADE

Brooklyn Youth Club broke through for a win against F.E.W. (Ron Fowler and Eugene Tabaka) 7-4. Brook-lyn's mainstay, John Gzudka, continued match-win n i n g form, being undefeated with 3 rubbers, whilst for F.E.W. Ron Fowler won 2 rubbers.

Mammoth Scores In W.S.F.L. Results

By WARDEN JAMES

Mammoth scores predominated in Western Suburban League Football matches played over the weekend with three teams each kicking more than 30 goals.

In Open Age, equal leaders, Newport, amassed 34-21-225 to lowly Brooklyn's 7-2-8, while fourth team Central Altona inflicted Maidstone's worst defeat of the season when they kicked 34-15 to 2-1.

In Under 18, leaders, Altona A, also had their biggest win of the season when they kicked 32-33 to Laverton's solitary point.

Newport fullforward Cliff Sanderson continued on with his goal kicking spree, this time notching 13, to give him 29 goals in the past three matches.

In a real percentage booster, Newport youngster Alan Flavel also played his part with five goals despite the fact that last Monday he was still in hospital suffering from concussion.

Central Altona also boosted their confidence sky high at the expense of Maidstone. Fullforward Ron Smutney and half forward flanker Rex Cole were equal top goal kickers with eight goals apiece.

But Maidstone were again without a full combination due to regular players failing to arrive. They managed to field 16 men only after captain-coach Wal Vecchiet, who has a broken ankle, "stripped" and went onto the ground.

In Under 18, Altona A Rover Wayne Patton turned in a superlative performance to kick 13 goals off his own boot, while fullforward Harry VanDyke managed 11, and was instrumental in many others.

Other open age matches saw leaders West Newport take the points against a persistent, and greatly improved Williamstown United combination.

United captain-coach J. Allan gave his side great drive and inspiration but West were just able to hold

them out in the final quarter.

Equal leaders Altona again had too much class around the packs their rucks and rovers kicked 13 goals between them for a plucky RAAF Point Cook.

Werribee ran out comfortable winners against Laverton but could have won by much more had they not relaxed in the second half.

Werribee led 11.9 to 1.3 at half time, but were outscored 4.5 to 8.3 in the last two quarters.

Werribee rover John Arbaci played his last match for the season as he is off to America tomorrow (Thursday) and will be away for the next 12 months.

In other Under 18 matches, West Newport almost clinched the double chance when they got up in the last few minutes to defeat Newport.

This now gives them second position with 40 points behind Altona A, and leaves Newport in third place with 36 points.

West Newport would be a real premiership threat if captain Brian Carrick was in the side. Carrick at the moment is under suspension, but club officials are hoping South Melbourne Thirds officials will lift his disqualification.

A seven goal second quarter burst by Altona B put paid to Central Altona's hopes, and the B's ran out winners by 13 points.

In Under 16, Williamstown made their record two wins at home and one loss away against Altona when they beat them by four points last Saturday.

These two teams are undoubtedly very evenly matched and will again be meeting in the second semi final and possibly the grand final.

The difference between the two sides last Saturday could have been the superlative form of big Jim Hynes, who was best on the ground for Williamstown.

Hynes had an operation for an in-grown toe nail earlier in the week, so his performance was all the better.

Unfortunately there were three reports in this match, all for using abusive language towards the field umpire.

In the other Under 16 game, Devon Park were too strong for Newport, but Newport spoiled any chance they might have had of winning by, kicking atrociously.

TWO LACROSSE PLAYERS SELECTED IN AUSTRALIAN TEAM

Congratulations to John O'Keefe and Alan Rolley on their selection in the Australian team following the success of the Victorian State team being victorious in the Australian Championships in Adelaide last week.

"A" Feavons made full use of the match against Surrey White to develop and practice forward and midfield tactics which could be of considerable value in the harder matches to follow prior to the final series.

Little publicity has been given to the "A" City side in comparison to the Feavons or Deacons, due to the club having to enter two teams in the same division and there being no incentive for a premiership as it is serving as a feeding ground for the Feavons. This problem should be over next season.

The Deacons are to be congratulated on defeating Caulfield Gold in what has been reported as being a particularly hard game.

The under age teams, generally, continue their winning and we can be assured of representation in the finals.

Williamstown Ladies' Bowling Club

DESPITE illness, inclement weather and touring members, there was a good attendance at the annual meeting of the Williamstown Ladies' Bowling Club, held on Saturday, July 11.

The secretary read a very comprehensive report of the club's activities during the year, which revealed an increase in membership, despite the departure of several members from the district. The treasurer's report also revealed a very healthy position.

The social activities of the club have been many and varied and have proved most successful financially, with a happy atmosphere prevailing at all times. This success is due to a very active social committee, headed by Mrs. Oswald.

The following office bearers were re-elected for the ensuing year: President, Mrs. C. Henderson; Vice-Presidents, Mesdames Scott and Richards; Secretary, Miss Farrant; Treasurer, Miss Ennis; Committee of Management, Mesdames Barclay, Bird, Black, Hynes, Howard, Jamieson, Mullins, Pearman and Watt.

Mrs. Corns is bowling secretary and, once again, Mr. J. Harding is Auditor.

Afternoon tea brought to a close a very successful meeting.

CONGRATULATIONS TO ALTONA CITY SOCCER CLUB

Dear Sir,

Six years ago three men — the late Shire President, Stan McIntosh, Jim Todd and myself — organised a public meeting at which the Altona Soccer Club was founded.

The club was an instant success and, thanks to the efforts of the present committee, has now become one of the best soccer clubs in Victoria.

The decision to call the fine new pavilion "The Stan McIntosh Pavilion" is a wonderful tribute to a man remembered with affection by many in Altona.

I recall a comment made to me by Stan when discussing the remarkable success of the club: "You know, I suppose in time no-one will remember that we ever had anything to do with the club."

Hopefully this will not be so.

The Stan McIntosh Pavilion will now perpetuate the name of a man we all miss.

As circumstances prevented me from attending the opening of the pavilion last Sunday I would like to take this opportunity to congratulate the committee warmly on their choice of a name and for the wonderful job they are doing.

Congratulations are also due to the enthusiastic bunch of players, both senior and junior, and to their dedicated coaches. Behind every strong club are men of strength and special mention must therefore be made of Mr. Noordenne for his steadfast help and support.

TAX REBATE ON HOME HELP?

Altona Council will ask the Federal Treasurer to grant tax rebates on payments made for council home help services.

The move follows a request by Diamond Valley Shire Council to the Municipal Association seeking the Association's support for a plan to have the Income Tax Assessment Act amended to provide the rebate.

The Association replied that it did not consider the move was a municipal matter.

Cr. D. K. Grant said individual councillors should approach local Members of Parliament on the matter if they saw fit.

"I wonder if it isn't a council matter," replied Cr. W. L. Crofts. "We provide the Home Help Service, so I think we're entitled to write to the Treasurer on ratepayers' behalf."

"I don't see any harm in supporting Diamond Valley on this."

The Altona City Soccer Club will continue to win prestige for Altona and the people of Altona can be justly proud of it. I wish the club every success in the future.

Yours faithfully,

JOHN CULLEN

(Founder Member and Original Publicity Officer, Altona Soccer Club).

North State Little Athletics

The next meeting of the North State Little Athletic Club will be held in the staff room of the North W'town Primary School at 7.45 p.m. on Friday, July 17.

The building of a jumping pit at the school, a project which has been in hand since the club's inception, at last looks like becoming an actuality.

Plans are with the education Department awaiting approval and the granting of a subsidy.

TOWN BACK IN FOUR

With Preston returning to their best form to defeat Dandenong and Port Melbourne accounting for Sandringham the Seagulls regained their position in the four, although they were not entirely convincing in beating last side Yarraville.

This week-end's games will have another big effect on the vital positions on the ladder. Sandringham are at home to Preston, who now must have become a slight chance of making the finals.

If Sandringham lose, their chances of being in the finals will dwindle, but if they win, Preston can begin thinking of season 1971.

Dandenong should keep their hopes alive by defeating Oakleigh, whilst Geelong West could find it hard against Yarraville if the Eagles can produce the form they showed last Sunday.

With the exception of the game against Waverley at Williamstown on Saturday, one of the most vital matches for this time of the season will be the clash between top side Prahran and second side Port Melbourne at Toorak Park. If Port lose and Town defeat Waverley, the Seagulls will climb to second place on the ladder. If Town lose they could drop to fifth.

The battle for a berth in the finals is still at an exciting stage and is likely to continue so until the last home and home game. The Seagulls' position is far from consolidated but the return of some players at present on the injured list should strengthen the side and make them hard to keep out of the finals.

Rabbit In Eagles' Nest

One of the highlights of the first quarter of last Sunday's game at Yarraville was the appearance, for two laps of honor whilst play continued, of a small, dark coloured rabbit — four-legged species.

The rabbit, an obviously escaped pet, ran onto the ground on the outer wing, caught the eye of players and umpires and eluded all would-be captors until it ran into the hands of some youngsters outside the playing arena at about the same spot from where it appeared.

One could be excused for thinking he was deep in the country and not five miles from the city.

Williamstown Baseball Club

FIRSTS

After last week's win over Sandringham the Firsts climbed back into the four.

The Thirds and Seconds were both defeated by their opposition.

FIRSTS

The Firsts, showing a complete reversal of form, played good baseball to defeat the Sandringham side.

The solid pitching of Alan Harris held the opposition and a magnificent fly by Noel McLeod were the winning factors of the game.

Safe hits: G. Parnaby, A. Harris, F. Bowyer, N. McLeod.

Best: A. Harris, N. McLeod.

Scores: Williamstown, 4, d. Sandringham, 1.

SECONDS

Town was defeated by the top team, Sandringham. Williamstown held Sandy until the fifth dig when the opposition drew away from Town when they relaxed in the field and made errors that lost them the game.

Safe hits: R. Baker, B. Johns, J. Humphries, R. Rowe.

Best: W. Johns, I. Dougall, R. Baker.

Scores: Williamstown, 4, lost to Sandringham, 9.

THIRDS

In an appalling exhibition of baseball the Thirds were thrashed by making numerous errors in the field.

Safe hits: M. Wainshtein.

Scores: Williamstown, 2, lost to Sandringham, 13.

Williamstown CYMS Football Club

FIRSTS WIN BY LARGE MARGIN

First Quarter

Town commenced the match in fine style. Players were teaming together magnificently and the handball and play on style of football was a pleasure to watch.

Town's backs had little trouble repulsing opposition attacking moves and North Essendon found themselves unable to counter CY's big-man strength all over the field.

Scores: Town, 7-7-49; North Essendon (1), 0-2-2.

Second Quarter

Town were now kicking against the wind and North Essendon attacked for the first ten minutes, scoring two goals. From then on Town took complete control and had a vast majority of the play.

It was only poor kicking up forward which prevented the CY's from having a much greater lead at the half-time break.

Scores: Town, 8-13-61; North Essendon (1), 2-3-15.

Third Quarter

The Williamstown players seemed to relax for the earlier part of this term with the result that North Essendon ran riot and scored four goals.

In the latter part of the term Town played better football and still managed to outscore the opposition for the term. However, this had been a poor quarter by the players.

Scores: Town, 13-18-96; North Essendon (1), 6-4-40.

Final Quarter

Town ran riot all over the field and gave the opposition no quarter. CY's were winning in most positions of the field and the longer the match progressed the greater Town's advantage. This was possibly Town's best performance as a team this season and virtually finished any chance North Essendon may have had of making the final four.

Final scores: Town, 19-20-134; North Essendon, 8-7-55.

Best: Wilkie, Zamykal, Hynes, Zammit, Jones, Norton, Rosenzweig.

Goals: Wilkie 6, Rosenzweig 3, Zamykal 3, Moore 2, Jones 2, Hill, Zammit, Vaughan.

SECONDS HAVE EXCELLENT WIN

First Half

Town started off quite well and were into attack immediately. Players were combining together well and the CY's had a three goal lead at quarter time.

In the second term Town continued to play well but the players were inaccurate in shooting for goal.

Half-time scores: Town, 8-10-58; Bentleigh (2), 5-1-31.

Second Half

The match developed into a hard slogging affair with Town holding the edge in most departments. CY's increased their lead in the second half and ran out comfortable winners.

Final scores: Town, 13-14-92; Bentleigh (2), 7-3-45.

Best: Boddington, Bunting, R. Featherston, Dey, L. Rosser.

Goals: Boddington 6, Zammit 2, Featherston 2, Bunting 2, Michalowski.

THIS WEEK'S DRAW

Firsts play Mentone away. This match against the third side is a most important one. Mentone are always a tough proposition on their own ground.

The Seconds play Glenroy at Grav Reserve, Kororoit Creek Road.

Newport Methodists Football Club

Newport Methodists, producing their best form for the season soundly defeated local rivals Williamstown Methodists by 97 points at the Newport Oval last Saturday.

Newport played premiership football in the second quarter when they scored 7-6 to 0-1 and from half-time onwards set about achieving a big percentage-boasting win.

Scores: Newport Methodists, 19-16-130; Williamstown Methodists, 5-3-33.

Goals: E. Rowe 6, Harris 2, Miller 2, R. Rowe, G. Seers, Roberts, Spicer, Jarvis, Spokes, Neville, Stirling, Angourias.

Best: All players played well in an outstanding team effort.

This week's match is away against Jolimont United.

LISTON-ESPLANADE IN TIGHT FINISH

Starting off in a blaze of glory, Holland and Letcher, for Glen Iris, defeated Hillebrand and Stephens, 6-5, 2-6, 9-7, while Senior and Pendry defeated Cameron and Wright, 6-5, 6-5.

This was the seventh time Senior and Pendry have been beaten by one game.

This meant Liston-Esplanade had to win the last two rubbers — one in straight sets and one in three sets.

Cameron and Wright set the pace and again the score was 5-11 but both players were determined to win, which they did 6-5, 6-2.

Hillebrand and Stephens lost the first set 6-3 and won the second 6-3. The final set was terminated at 7-all owing to bad light. This game will have a big bearing on Glen Iris getting into the finals. Six teams have a chance for the final four. Liston-Esplanade must finish in first place and it will be a great battle for the other three places.

The ladder is as follows: Liston-Esplanade 10 (2 to play), Glen Iris 7 (2 to play), MCC 7 (2 to play), Elsternwick 7 (1 to play), South Yarra 7 (2 to play), Grace Park 6 (1 to play).

The semi-finals will be played in one month's time — first to play fourth and second to play third with the winners to play-off in the final.

This week Liston-Esplanade play Lauriston. This will complete the home and home matches, leaving the unfinished ones to be completed.

CLUB RESULTS

Very cold temperatures kept Liston's players on the move all day. As darkness fell teams were forced to use their instinct as the last sets were played in dim light.

Section 1, Team 1

Liston's players did extremely well but Altona kept them warm in a very close match. Altona were previously unbeaten.

Liston, 40, d. Altona, 33.

This week Liston play away to Spotswood (1).

Section 1, Team 2

Liston had a convincing win over Spotswood (2), winning in most sets 6-0, 6-1 and 6-2.

Liston, 52, d. Spotswood, 25.

This week Liston play Altona (2) at home.

Section 2, Team 1

Spotswood fought for every point but Liston were too good and defeated them by 13 games.

Liston, 46, d. Spotswood (1), 33.

This week Liston play Altona at home.

Section 2, Team 2

A particularly strong and well-played match gave AGM a small winning margin when they defeated Liston by 12 games.

Liston, 33, lost to AGM, 45.

This week Liston play away to Diggers.

GREAT WEEKEND FOR ALTONA CITY SOCCER CLUB

Last weekend was the greatest in the club's history when Altona's Mayor, Cr. P. Burns, J.P., officially opened the "Stan McIntosh Pavilion" before a large crowd. The distinguished guests were unanimous in their praise of what is definitely the best facilities of any club in Victoria.

To pave the way for Sunday's opening on Saturday the mighty Maroons tore St. Albans apart with a scintillating 7-1 win which is a club record highest score.

It was certainly a very proud bunch of players and supporters who left Kim Reserve last week end.

The opening day last Sunday was complete with the City Band, marching girls, junior and senior soccer games which made up a full day's entertainment.

The Mayor, Cr. P. Burns, welcomed the guests and received the key from the builder, Mr. L. Noordenne, to officially declare the pavilion open.

Club President, Mr. Noordenne, accepted the keys from Cr. Burns thanking the Council and all the people connected with the club for their help and support.

Later on in the day at a reception in the clubrooms, Mrs. S. McIntosh unveiled a portrait of her late husband and Shire President, Stan McIntosh.

Saturday's game at Kim Reserve saw St. Albans fall victim to Altona's power play. Ackers, Hines and Delamyn

dominated the midfield, King and Herman had the speed on the wings and Savage and Stancouski played the double centre-forward role to perfection.

Herman rose high above the defence to head on to Savage and Billy swept home the first goal.

Near misses and good goalkeeping kept St. Albans in the game and they managed to grab the equaliser with a disputed goal given by the linesman and at half-time it was a 1-1 draw.

The second half was all Altona. Colbard, Ormerod and Copley made the Maroons really tick. Fast, open play, quick man-to-man stuff that gave Altona 6 goals (Stancouski 2, King 2, Savage 1 and Jimmy Ackers 1).

St. Albans had no answer to Altona's style of play. Only once in the second half did they have a shot at Altona's goal and Ian Roberts hurled himself sideways to pull off a great save.

The visitors had suffered a humiliating defeat from a sparkling local side which finished up full of running.

This week Altona will play Sunshine City at Kim Reserve.

UNDER 18
Altona Rebels v. Central Altona

At the opening of the first quarter, Altona Rebels applied plenty of pressure.

Central Altona could only manage 4-4 to Rebels' 2-1 for the first quarter.

The second quarter was all Altona Rebels. Teamwork by all players resulted in Rebels taking the lead. Half-time scores: Rebels, 9-4; Central Altona, 5-4.

Rebels slackened during the third quarter and Centrals almost caught them at orange time. Scores: Rebels, 10-4; Central Altona, 8-6.

Rebels sealed the game in the final term with determined play.

Final scores: Rebels, 11-12; Centrals, 9-9.

UNDER 16

This Monday Max Papley will be giving a football lecture, question and tactics night at Grant Pavilion. All junior players and teams are invited to attend.

PRIMARY SCHOOL SOCCER

The games on Sunday got off to another very good start, the weather although cold stayed fine and this enabled the players to show their better form.

As the weeks go by the boys are playing more as a team and the competition is getting very strong.

Seaholme and Altona West were the first to play. Off and the game ended in a Nil Nil draw, there were plenty of close shaves and both teams played very well.

BEST for Seaholme, A. White, Hadzico and Driver. BEST for Altona West, Evans, Moffat and Pinney.

The Altona North and Altona game was very good indeed. Altona only had a few of their regular players but they put up a tremendous fight, they played the team who is on the top of the ladder, and they were not disgraced even though they lost. The score was Altona North 4, Altona 1.

BEST for North, Christakakis, Calaji, Anile. Best for Altona, Van der Poel, V. Pace, Neyland.

Goal Scorers for North, Cvetkovic, Anile, Calaji, and Goricanec. Altona Pace. Altona East —BYE.

LADIES' HOCKEY

ALTONA v. FOOTSCRAY

From the first whistle this was a very fast and gruelling match. The play saw-sawed from one end to the other with both defences fighting very hard to keep the ball out. This was the trend until just before half-time when Footscray netted from a nice shot from the edge of the circle.

Altona, having to replace two girls in the side, tried hard but could not score.

Half-time came with Footscray in the box seat. In the second half, with both teams going all out to score, no-one could succeed in doing this. Altona forwards just could not break through Footscray's good defence and the opposing forwards found the same situation with the Altona defence.

Footscray won the match by one goal, but Altona were not disgraced as Footscray were an A Reserve team last year and the last time they played Altona they defeated them 9-1.

Best: K. Sterling, H. Hitchcock.

D GRADE

Playing Kew at home Altona, from the first whistle, showed that they were a much more inexperienced team (average age approx. 14 years).

Altona kept Kew down to one goal in the first half.

After half-time, however, with Altona getting tired, Kew scored almost straight away. Altona's defence, although they tried hard, were no match for the Kew forwards.

Altona will have to play more as a team on the forward line or the result of each match will be the same.

Kew ran out winners 5-0. Best: S. Jenkins, W. Hopkins, J. Jackman, D. Robinson, K. Challis.

Westona Little Athletics Club

Westona club members are to be congratulated on their efforts in the Regional heats of the Victorian Cross Country Championships held on Sunday last.

Of the 11 children who started in the heats, eight qualified to run in the finals, which will be held at Yarra Bend Park on August 9. Those who are qualified are: Girls' Under 9, 1,000 metres: Janet Rice. Under 10: Vicki Clark and Jenny George.

Under 11 Girls' 2,000m.: Robin Osborne. Boys' Under 9: Paul Schnyder and Graham McWilliams. Under 10: Stuart Bagg.

Under 12 Boys' 3,000 metres: Brenton Dodd.

An invitation was received from Bacchus Marsh inviting any Little Athletic Club to compete with them in a cross country run from Bacchus Marsh High School on Sunday next, July 19, at 1 p.m. The school is in Grant Street, Bacchus Marsh.

ALTONA HOCKEY TEAM DEFEATS MHSOB 1-0

Playing away at Elsternwick Park the Altona A grade team stayed within striking distance of the final four, with a 1-0 win over MHSOB.

The 'Old Boys' desperately trying to avoid relegation, tried everything they knew to score the points but brilliant goalkeeping by Altona's keeper Bob Verity stopped everything.

Alan Challis celebrated his return to the top team by cracking the only goal for the match.

If only the other forwards could convert their opportunities with such assurance Altona would be a sure contender for the finals.

C North defeated Strathmore, 7-1.

Playing at Manningham Reserve, Altona had a convincing win over Strathmore. From the start the locals poured on the attacks to show they wanted a big score to avenge a recent defeat.

Although the ground was in a poor state the team was able to play excellent hockey, particularly Eric McCauley and Ronald Smith who combined well on the forward line.

However Benny was left out in the cold on the wing and more effort is required to get complete team participation.

D North defeated OEG, 4-0. Despite appalling umpiring and the unusual gravel surface, Altona trounced OEG, 4-0.

The opposition played a rough and ready game but the locals kept on playing the ball and performed fairly consistently throughout.

At half time Altona led 2-0 and only twice in the second half did OEG break through the defence only to come up against Pat Shields playing as a kicking back.

Altona went on to clinch the game with 2 more goals. Best: Steven Jensen, Ross Ericson.

Goals: Richard Heaney 2, Chris Bruce 1, Ross Ericson 1.

E GRADE

Altona were defeated 4-2 by a much improved Latrobe side. Gary Studley played a very good second half and helped C. Turner to stop many attacks.

J. Lawley played his usual vigorous game and provided many opportunities.

Although Altona was not playing well the result could have been quite different if a deflection by W. Duncan had been a goal.

There is a rumour that veteran player D. Studley could make a comeback this season.

Scorers: S. Hyde, W. Duncan.

Under 16 were defeated by Greensborough, 2-1.

With four players out injured, two under 14 players, A. Relf and K. Bebbend, were brought into the side and both players, played very well.

In the first half Greensborough did all the attacking but fine defensive play by Altona kept the score down to one goal.

The second half saw Altona into attack and a good pass from G. Studley found B. Cronin in front and he made no mistake.

Greensborough came back right on the final whistle to score and take the points.

Best: A. Willett.

Under 14 all with Greensborough, nil all.

In a game played on a cow paddock at Royal Park, Altona could just manage to hold Greensborough to a draw.

The withdrawal of J. Daley, due to illness, early in the game left a big hole in the defence but great goalkeeping by B. Weyland and stalwart work by R. McCauley and C. Studley kept Altona's final four hopes alive.

Home games next Saturday: 1.30 p.m. — C. North v. Fairfield.

1.30 p.m. — E. North v. Reservoir.

3.15 p.m. — A Grade v. Camberwell.

3.15 p.m. — D North v. Reservoir.

UNDER 18

In an interesting game Altona B side won well from the hard trying Centrals. Centrals were severely handicapped by having only 16 men, but those who played gave a good account of themselves.

FINAL SCORES: Altona B 11-10-76 d. Central Altona 9-9-63.

Centrals opened up well to lead by three goals at quarter time, but Altona B made better use of the wind in the second quarter to boot seven goals to Centrals one.

With their backs to the wall Centrals strove to make up the leeway and were only 10 points down at three quarter time.

Altona B were frustrated in their attempts to seal the match by the strong Centrals defence, but Centrals were unable to score goals.

Altona Life Saving Club

THE monthly executive meeting of the Altona Life Saving Club was held in the clubhouse on Tuesday, July 7, with Mr. R. Edwards presiding.

The secretary, Mr. N. Slater, reported that the club had received the maximum grant of \$325 from the Royal Life Saving Society. Patrols were satisfactorily maintained on each occasion the Society's patrol officer had visited the club. Rescue and first-aid equipment had also been up to the required standards. Consequently, there had been no penalty deductions from the yearly grant.

A patrol below the required strength, equipment not in position on the beach or first-aid equipment not up to the required standards when the patrol officer pays an announced visit, means the loss of \$20 from the annual grant.

DONATION

A donation from the Clinic Altona is gratefully acknowledged.

GAMES NIGHT

Games on Monday nights will continue until swimming training at the Richmond Baths resumes in about three weeks time.

Altona Methodists

Altona Methodists had another convincing win over Yarraville last Saturday.

Scores: Altona, 10-8, Yarraville 1-1.

Altona, well led by captain T. Pinney, won in most positions with more determined football.

Good ruck play by S. Stafford and J. Barry gave the rovers the opportunity to move the ball quickly to the forward.

The backline, as usual, was on top all day — another good effort boys.
